

Activity Breakdown

The screenshot shows the 'Energie' app interface. At the top, there's a back arrow labeled 'Go to main menu'. Below it, navigation for months (juni, juli, augustus) and tabs for 'Bundle' and 'Apparaten' are visible. A central donut chart displays '€ 247,99 over van € 265,34'. To the right, a list of appliances and their energy costs is shown: 'Wassen: € 1,45', 'Entertainment: € 16,50', 'Elektrisch voertuig: € 68,39', 'Altijd Aan: € 134,64', 'Anders: € 2,48', 'Verlichting: € 2,75', 'Koken: € 9,26', and 'Koeling: € 10,89'. A 'Tip!' section suggests 'Zet de temperatuur van het water lager.' Below that, a table shows 'Laatste update: 03-07-2017' and 'Dagen tot nieuwe maand: 28 dagen'. At the bottom, there are buttons for 'Historisch verbruik' and 'Vergelijk verbruik'.

Annotations on the left side:

- Go to main menu
- Last month
- Switch from euro view to energy view
- Historical usage in hours, days, weeks or months

Annotations on the right side:

- Go to appliance efficiency
- Activity overview based on how much energy they use
- Tips to improve your usage
- Compare your usage to other Ynni users

Dashboard

The screenshot shows the 'Uyni' app dashboard. At the top, there's a menu icon labeled 'Go to main menu'. Below it, tabs for 'Mijn budget' and 'Huidig verbruik' are visible. Two large circular gauges show '€ 177,36 Over van € 266,45' for energy and '€ 0,00 Over van € 36,30' for gas. Below these are sections for 'Energiebudget' and 'Gasbudget', both for 'juni', with links to 'Apparaat efficiëntie' and 'Nieuwe bundel in 11 dagen'. A 'Vaatwasser competitie' section shows '+50%' efficiency improvement and '9 Dagen over'. At the bottom, there's a 'Wordt beter en ontvang meer badges' section with icons for a euro, trophy, thumbs up, people, and a checkmark, labeled 'Earned badges'.

Annotations on the left side:

- Go to main menu
- Used energy budget & total energy budget
- Overview current challenge
- Earned badges

Annotations on the right side:

- Go to current usage
- Used gas budget & total gas budget
- Go to monthly overview of your bundle
- Go to appliance efficiency

Real-time

The screenshot shows the 'Uyni' app real-time power usage view. At the top, there's a menu icon labeled 'Go to main menu'. Below it, tabs for 'Mijn budget' and 'Huidig verbruik' are visible. A 'realtime' tab is selected, with other options for 'dag', 'week', 'maand', and 'jaar'. The main display shows 'Huidig vermogen: 1410 W'. Below this is a bar chart showing power usage over time, with values ranging from -2630 to 3900. A line graph below the bar chart shows 'Energy usage past hour' with a y-axis from -1.000 W to 3.000 W and an x-axis from 00:00 to 13:00. A 'Change the displayed time' annotation points to the 'realtime' tab.

Annotations on the left side:

- Go to main menu
- Go to Dashboard
- Lowest measured power
- Energy usage past hour

Annotations on the right side:

- Change the displayed time
- Current power
- Highest measured power
